

Swiss Duathlon Selection Matrix

Area	Reasoning	Percentage
Race Results: WM: Long and Standard EM: Long and Standard Swiss Duathlon Circuit Best result and Overall	The aim of the Duathlon Kader is to have successful athletes on the World Stage. This success is developed at home through the Swiss Duathlon Circuit and then onto international races.	60%
Testing	Testing is about data and athlete information over time. This is to help Swiss Duathlon understand what Swiss athletes need to perform at the top level. This is a requirement to enter Kader and for being part of Kader, but needs to be seen as part of the athlete development process and not the deciding factor.	20%
Swiss Duathlon Kommission	The Swiss Duathlon Kommission will have the final right of selection for the Swiss Duathlon Kader. All inclusions and exclusions from Swiss Duathlon's Kader are the sole right of Swiss Duathlon.	20%
